

### «Alternative Wave» 2015

In frames of Batumi International Art-house Film Festival, industry platform “Alternative Wave” announces call for the projects.

#### **Concept:**

Alternative Wave focuses on projects with alternative financing, distribution and development strategies. Participants will meet the sector experts, who will suggest possible trans-media / cross-media development potential. According to project's needs artists from other fields will be invited to take part in the workshop.

#### **Eligible projects:**

Innovative, trans-media/cross-media film projects (short, feature, documentary, animation) at the development stage.

#### **Participants:**

Project can be submitted by producer, director, author, dancer, photographer, game developer, web designer, musician and etc.

#### **Conditions:**

Working language of the workshop is English. Alternative Wave will cover accommodation for two representatives of selected project.

#### **Application documents (in English):**

- Short description of the project (1 page).
- CV of the producer, director or other artists involved in the project.
- Director, producer or other artist's intentions.
- Film synopses.
- Preliminary financing plan of the project.
- Previous work (online link).

**Place and date:**

Alternative Wave will take place in frames of Batumi International Art-house Film Festival, from 14 -20 September 2015. Batumi, Georgia.

**Deadline for application:**

05 August 2015.
